FloroCrete  
Urethane Mortar

FloroCrete is designed for those facilities where thermal shock, low odor and USDA requirements are a factor.

**Floro**

**FloroCrete is the product of choice in Kitchen Fryer Areas and Food Processing Plants.**

FloroCrete is a thick, heavy-duty system that is designed for the most strenuous uses and activity.

It is specially formulated for use in industrial-plants and kitchens where thermal shock is an issue.

FloroCrete can be maintained by using a stiff mechanical brush and/or hot pressure washer or steam cleaner.

- Thermal shock resistant
- Excellent resistance to corrosive chemicals
- Withstands heavy loads
- Solvent-free installation
- Quick curing formula
- Meets USDA requirements for use in Federally-Inspected Meat and Poultry Plants
- A variety of colors can be achieved with the addition of Florock Epoxy 100% Solids Colorants
