*Excellence in Polymer Flooring*

FloroBuild  
Epoxy Mortar

FloroBuild is the ideal coating for spalled or pitted concrete. It provides a sanitary, skid-resistant and highly impact resistant surface.

**Floro**

**FloroBuild is ideal for Heavy Industry, Food Processing, Wastewater Treatment Facilities, Foundries, Loading Docks and Breweries.**

FloroBuild is used when resurfacing or leveling concrete.

It economically adds performance and durability to the concrete floor. It provides a sanitary, skid resistant surface that easily tolerates the harsh environments found in factory settings.

- Seamless sanitary floor and coving
- Meets USDA requirements for incidental food contact in Federally Inspected Meat and Poultry Plants
- Excellent impact resistance, hardness and flexibility
- A variety of colors can be achieved with the addition of Florock 100% Solids Colorants
