

**Florock**<sup>®</sup>  
*Excellence in Polymer Flooring*

FloroShop  
Epoxy-Silica

FloroShop provides exceptional protection under situations where slippage, abrasion, or impact are concerns.

**Floro**

**FloroShop is ideal for Machine Shops, Storage Areas, Manufacturing Facilities, and Food Processing facilities.**

FloroShop provides excellent slip resistance in shop floor settings.

FloroShop is easy to clean and maintain. It prevents concrete dusting and retains its color and durability over time.

- Dense, non-porous surface that resists penetration
- Impact resistant
- Highly economical shop floor solution
